Diana Aleksieieva

Graphic Designer

United States   **aleksodiana@gmail.com**   **718 925 7675**

Highly creative and detail-oriented graphic designer with 5 years of experience. From branding and marketing materials to user interfaces and print products, I possess a skill set that enables me to deliver creative solutions for a wide range of projects. Strong ability to collaborate with cross-functional teams, understanding client needs and translating them into compelling visual stories.

Skills

- **Adobe Indesign**
- **Illustrator**
- **Photoshop**
- **Figma**
- **Web and mobile design**
- **Prepress**

Experience

Graphic Designer at Color Consulting (2021-2023)

- Managed a team of designers
- Led 30+ mail advertising companies
- Provide a system for managing and timing projects
- Discuss with clients their needs and find solutions for new kinds of projects

Designer at Safari media (2018-2021)

- Creating multi-page catalogs and printing products for European companies

By keenly understanding clients' needs and incorporating modern design solutions, we significantly increased the number of projects from clients, witnessing a five-fold growth in our clientele base.
